CHECKLIST OF SUPPORTING DOCUMENTS

The checklist enumerates the types of supporting documents that the borrower may present to facilitate the financial institution's evaluation of the loan application. Borrowers are <u>not</u> expected to provide all the listed documents but only those that are applicable to the loan application.

After the initial loan application screening, additional information (using separate sheet or form) may be requested to further evaluate the loan application and the security being offered. The financial institution may also require additional documents, as deemed necessary.

For the financial institution to better consider the application, additional post-approval documents not specified in the list may be required, as applicable.

required, as applicable.
